Achieving excellence in service delivery to boost business growth in Bangladesh

If we can use the resources and talent of Bangladesh, then I have no doubt that Bangladesh will be a 'Golden Bangladesh'.

Father of the Nation
Bangabandhu Sheikh Mujibur Rahman

BIDA has improved the investor experience in Bangladesh by establishing and expanding the online One Stop Service (OSS) portal – the country's first inter-operable single window platform.

Honorable Prime Minister
Sheikh Hasina MP

BIDA OSS reflects the Honourable Prime Minister's vision of Smart Bangladesh and demonstrates her government's dedication to creating a friendly environment for high-value investment.

About BIDA OSS

Bangladesh Investment Development Authority (BIDA), the apex investment promotion agency, launched BIDA One-Stop Service Portal or BIDA OSS on 24 February 2019 as per One-Stop Service Act, 2018.

BIDA OSS is a single and interoperable system, through which the services of various government departments are provided quickly and transparently from one place, enabling investors to implement investment projects easily.

Sheikh Nasir Uddin

Chairman, Akij Group

Getting services from BIDA OSS regarding foreign technical support and other export related matters have made a big impact on our business processes.

Rupali Chowdhury

Managing Director, Berger

BIDA has formed this OSS system, and this has actually eased a lot of work in terms of getting approval from the regulatory bodies.

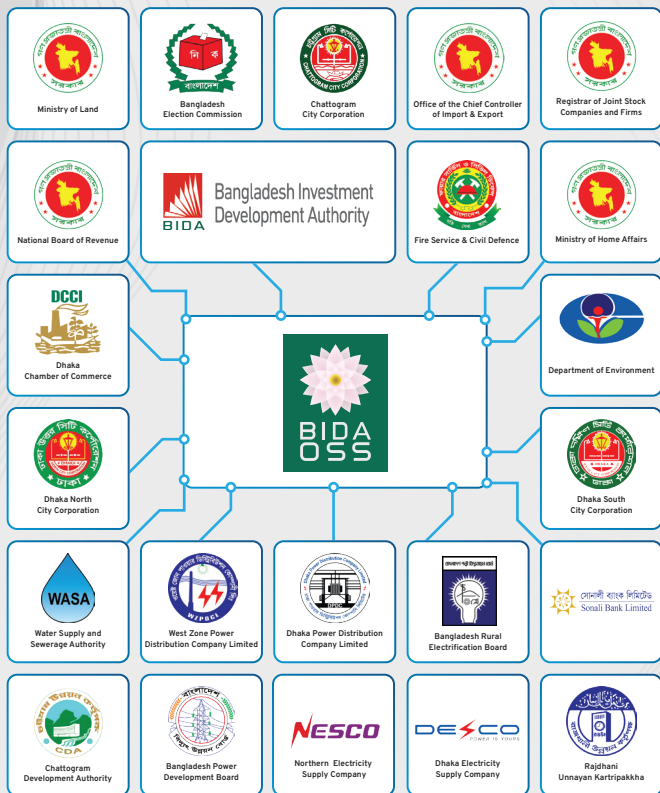

Syed Nasim Manzur

Managing Director, Apex Footwear Limited

The personal initiative and direction from the Honorable Prime Minister to incorporate as many services as possible from as many agencies as possible under the portal of BIDA. And I think this is quite revolutionary.
